Description	The Project Loan of \$50 million, with a guarantee from the Government of Industries Development Bank of India (SIDBI) in reaching out to the "missis borrowers or micro-enterprises who have grown too large for traditional m remain unable to access more conventional bank financing. At least 30% of used by SIDBI for direct financing of deserving micro-enterprises. For its di SIDBI will ensure that at least 30% of the subborrowers are qualified wome Upto 70% of the Project Loan will be used by SIDBI for indirect financing of eligible participating financial institutions (PFIs) which could either be sche financial companies, or microfinance institutions. Twelve states (Andhra Pr Jharkhand, Karnataka, Madhya Pradesh, Maharashtra, Orissa, Rajasthan, T and West Bengal) are eligible to receive direct or indirect assistance throu	ng middle" - i.e. small icrofinance support, but of the Project loan will be rect lending operations, en MSME entrepreneurs. If microenterprises through eduled banks, non-bank radesh, Assam, Bihar, amil Nadu, Uttar Pradesh,
Project Rationale and Linkage to Country/Regional Strategy	The small and medium enterprises (SME) sector in India plays a vital role in At the time of project processing, the SME sector in India accounted for any 45% of gross industrial production, 40% of exports, and provided direct enterprises in around 12.8 million registered SME units. This intervention is part of ADB's response to requests for financing from the Indian public sector commercial banks to support efforts to remove construint finance, and to foster SME development. Support for the MSME sector has been a critical element in all of India's five project is therefore strongly aligned with India's development priorities. It poverty reduction strategy of ADB which states that ADB should promote systems and capital markets" since these are seen as "being indispensable stability, mobilizing savings, and ensuring availability of long-term financing for pro-poor growth."	ound 95% of industrial units in ployment to 42 million he Government, SIDBI, and aints to MSME access to e year plans. The proposed is also in line with the sound and efficient banking for macroeconomic
Impact	Help MSMEs in India realize their full potential, thereby assisting MSMEs in especially those led by female microentrepreneurs	India to be fully developed
